

AT8

IN-WALL LOUDSPEAKER

8" 2-Way AT Advanced Technology In-Wall Loudspeaker

- Tweeter can be rotated and pivoted
- Baffle-mounted bass and treble tone controls for acoustical adjustments

8" In-Wall Loudspeaker

AT8

8" 2-Way AT Advanced Technology In-wall Loudspeaker

Tweeter can be rotated and pivoted

Baffle-mounted bass and treble tone controls for acoustical adjustments

Stock Number

FG00891

AT8 requires 8 Series Bracket Kit for installation.
Use FG00321 or FG00899 (sold separately)

Woofer Technology

- 8" Interlaced glass and carbon-fiber cone is extremely rigid to reduce breakup and lower distortion even under high power
- Butyl rubber cone surround damps resonance and provides exceptional durability
- High BL magnet structure with vented pole piece ensures powerful bass response
- Dispersion stabilizer distributes midrange tones for clear off-axis sound

Tweeter Technology

- Proprietary tweeter-adjustment mechanism ratchets in 1mm increments and then pivots for precise aiming of high frequencies
- 1" Tri-laminate Teteron dome with fluid-cooling and ultra-wide dispersion for clear and detailed high-frequencies

Audiophile Features

- Premium crossover components provide seamless driver integration and smooth sound
- Anti-resonant wave-bracing ABS baffle eliminates unwanted resonance to keep bass tones rich and dynamic

Tone Controls

- Baffle mounted bass and treble controls allow easy access to adjust the sound in any room

Installation

- Patented snap-in speaker baffle mounting mechanism facilitates quick installations and upgrades
- 100% rustproof MicroPerf™ aluminum grille conceals loudspeaker elements yet allows full frequency sound through. Grille can be painted to match décor
- Infrared sensor knockout provides a hidden remote control solution

Specifications

- Impedance: 6 ohm
- Recommended amplifier power: 10W to 150W
- Frequency response: 40Hz – 21kHz +/-3dB
- Sensitivity: 90dB for 2.83V pink noise
- Frame dimensions: 10 3/16" x 14 1/4" (26cm x 36.2cm)
- Hole cutout dimensions: 9 1/8" x 13 1/8" (23.2cm x 33.3cm)
- Depth behind ceiling: 3 5/8" (9.2cm) based on 1/2" drywall

Warranty: Lifetime limited

Shipping weight: 14 lbs. (6.4 Kg)
